

Face Mask

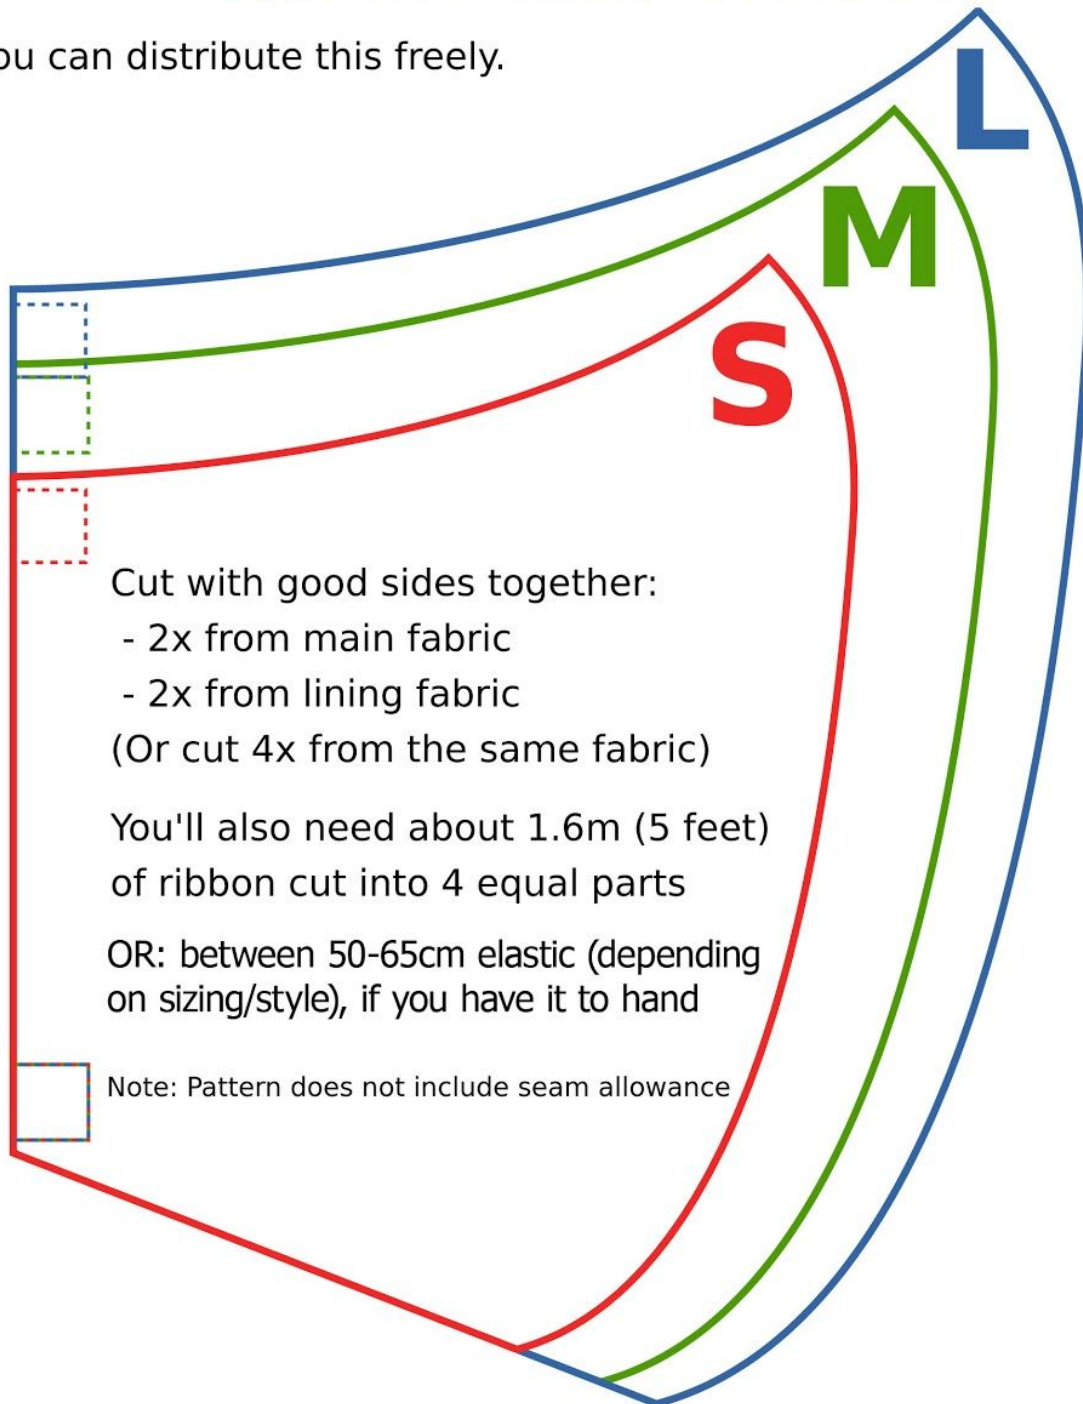

This is based on freesewing.org's Fu Face Mask pattern.

You can generate your own at: <https://freesewing.org/designs/fu/>

Instructions: <http://www.wildelan.com/wefumaskguide.pdf>

You can distribute this freely.

10cm / 4"

Wéfu Face Mask Filter

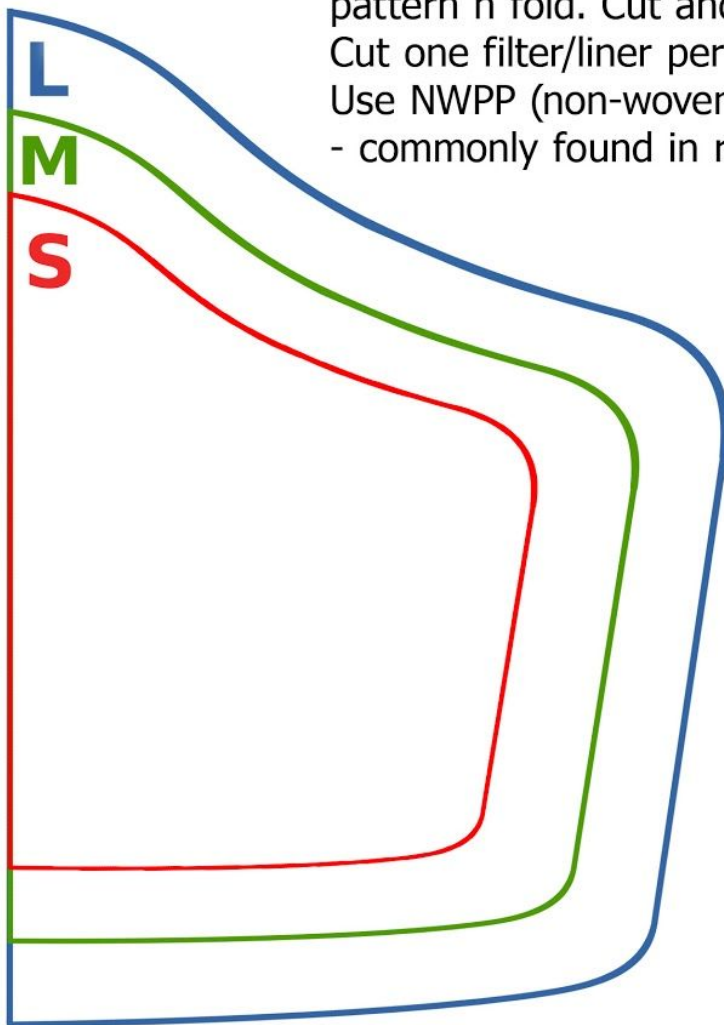

✳ To be used with freesewing.org's Fu Face Mask pattern.

You can generate your own at: <https://freesewing.org/designs/fu/>

Instructions: <http://www.wildelan.com/wefumaskguide.pdf>

You can distribute this freely.

Fold fabric in half, and place straight line of pattern n fold. Cut and then open fold.
Cut one filter/liner per mask - or make spares.
Use NWPP (non-woven polypropylene)
- commonly found in reusable shopping bags!

10cm / 4"
